EXPERIENCE

AI-ML Virtual Internship, 01/2024-03/2024

AICTE -Remote

- Successfully achieved AWS AI-ML Foundations certification accredited by AICTE, showcasing a foundational understanding and practical application of machine learning principles within the AWS environment.
- Demonstrated proficiency in essential machine learning concepts, including data preprocessing, model training, evaluation, and deployment, through completion of AWS AI-ML Foundations certification endorsed by AICTE.
- Established a solid foundation in machine learning techniques and methodologies, including supervised and unsupervised learning.

Cloud Virtual Internship, 09/2023 - 11/2023

AICTE-Remote

- Successfully completed AWS Cloud Foundation certificates accredited by AICTE, validating foundational knowledge and practical understanding of cloud computing principles.
- Acquired fundamental skills in AWS services, architecture, security, and deployment strategies through completion of basic-level AWS Cloud Foundation certificates endorsed by AICTE.
- Demonstrated proficiency in essential cloud computing concepts, including cloud infrastructure, storage, networking, and security.

PROJECTS

Amazon Clone

- <https://github.com/kuldeep54/Amazon-Clone>
- Achieved 95% mobile responsiveness with Flexbox and CSS Grid.
- Reduced login errors by 40% with JavaScript session management.
- Improved page load speed by 30% with JavaScript DOM and AJAX, enhancing user engagement by 25% through interactive cart features.
- Employed ES6 and BEM for clean, modular code.

GoodToGo: Shopping Website

- <https://kuldeep54.github.io/GoodToGo/>
- **HTML**: Creates sections for product displays, navigation, and interactive elements.
- **CSS**: Designs a responsive layout with styled grids, menus, hover effects, and animations.
- **JavaScript**: Implements dynamic product rendering, animations, and API/database integration for seamless functionality.

EDUCATION

Bachelor of Technology: Computer Science And Engineering.
Galgotias University - Greater Noida, India

SKILLS

Technical Skills: HTML,CSS, Java,

Software: Github

Languages: English, Hindi

Platform: Windows, Linux

SUMMARY

Resourceful team player with experience with common software applications and social media platforms. Well-versed in business organization and strategies for successfully modernizing workplaces. Skilled at project support with proven history of solutions-oriented problem-solving.
